Roche Golf Tour

Our aim is to provide Roche employees opportunities to play Golf together on different courses and where ever possible with green fee reductions and when possible tournament conditions.

We have organized a series of 5 events (once a month) during the summer. To give everyone a chance to work in the morning and not lose much working time, the play will be middle to late afternoons.

Although we are unable to keep and manage handicaps, your handicap is of importance, as most area clubs allow only players with handicap 36 or less.

Tournament fees will be covered by the Golf Section.

Costs to enter the Roche Tour events are the green fee, if you are not a member of the applicable Golf club. Group Dinner rates and menus can be pre-arranged (when possible) at the respective golf clubs for a evening meal among Roche Golf colleagues after the round.
